

## Instrument Rental

Dear parents,

This year the children in grades 5 and 6 will learn to play band instruments during class time. The instruments I will be teaching are: trumpet, trombone, flute, clarinet and recorder. As we are starting with the basics, I highly recommend that any child who already knows how to play one of these instruments, try their hand at a different one.

Each instrument comes with an accompanying method book. If you have other means of acquiring an instrument, please feel free to do so, but you will be required to purchase the method book. We will use the Tradition of Excellence series. Each child is responsible for the care of their instrument.

For safety reasons please note that students taking the school bus will not be permitted on the bus with the trombone instrument. Please keep this in mind when you are discussing with your child their choice of instrument.

Thank you to Home and School for supporting this project as this has allowed us to rent instruments at a reduced cost. Sibling can share the same instrument if parents wish to lower their rental fees.

### Rental prices with book

Trumpet	\$115
Trombone	\$110
Flute	\$115
Clarinet	\$120
Alto Recorder	\$25
Method book alone	\$14

Please make Cheques payable to Sherbrooke Academy Senior School.

I am looking forward to a fantastic year with the students!
