

SHERBROOKE ACADEMY SR WINTER SKATING PROGRAM

Dear Parents/Guardians,

Winter has arrived!! This means it's time to get ready for some outdoor winter sports. We are privileged to have access to cross country skis, snowshoes, sleds, an outdoor skating rink & the Windemere Park chalet.

Weather permitting, we will be taking the children skating once a week, during their Phys. Ed. classes. In order to ensure safety and participation in these activities, students are required to have skates and a helmet (ex: hockey, bike or ski helmet). We do have some skates available to borrow (for students who do not own skates) but they must bring their own helmet. Outdoor activities are much more enjoyable when children are dressed appropriately for the weather.

NB: Students will not be allowed to participate if they do not have a helmet & snow pants. Please be advised that participation and readiness is part of their P.E. mark.

Refer to the schedule below to see when your child will be going skating. Students are required to bring their skating equipment on those days only. NO HOCKEY STICKS!

We will advise classes the day before if we have to cancel, if not, they are expected to come prepared.

2018 SKATING SCHEDULE			
	Wednesday	Thursday	Friday
9:05-10:05	561	402	302
10:20-11:20	603	403	301
12:20-1:20	601	401	502
1:20-2:10	602	303	501

Hoping the weather cooperates for our outdoor winter program!

Mrs. Homsy

VOLUNTEERS NEEDED

- Yes, I am available to help lace up skates during my child's Phys. Ed. period.
- Sorry, I am not available.

Name: _____ email: _____

Child's Name: _____ Homeroom: _____

Note: It is a school policy that students are not permitted to call home should they forget to bring their equipment.
