

September 25, 2017

Good Afternoon:

On **Wednesday, September 27**, the **whole school**, Junior and Senior will be **participating in a Terry Fox Walk/Run** at the **Junior Campus**.

The event will take place at the **Junior school yard, forest and park** (at the back of the school).

The event is scheduled to **start 9 a.m.** (the morning being the coolest part of the day). We are expecting to be done between 10:30 and 11 a.m.

The senior students and staff will be walking over before 9 a.m. to the junior campus and joining the junior students and staff in the junior school yard.

We will start with a short assembly, followed by a walk/run through the forest and park. (Given the heat wave, it will be more of a walk.) There is a **shorter route for the kindergarten students** to walk and then they can play on the playground equipment in the kindergarten yard, as the older children finish their walk/run through the forest and park. **The forest area is well shaded** and so are certain parts of the school yard.

The Home and School will be providing an **apple** to each of the students for a **snack** after their walk or run. There will be a first aid table and emergency water table set up.

The whole school will assemble after the activity for a group picture. We are asking everyone to wear a **red t-shirt** or top (or a colour closest to red). We will be taking pictures from the school roof for a bird's eye view.

**In short:**

1. Ensure your children are wearing **comfortable, cool clothing: red t-shirt, shorts, socks, running shoes, Cap**. (For the younger children, please pack an extra set of clothing).
2. Make sure that your child has a **water bottle** filled with water. The water bottles can be replenished at the school.
3. For sun protection, ensure your child puts on **sunscreen** at home and that they bring a bottle of sunscreen with them to reapply as needed.

We are all looking forward to this event!

Warmest regards,

Carmela di Iorio and Sylvie Martin, principals
