Good afternoon parents,

As the heat wave continues to hit us, we, the staff of the Senior campus have taken the decision to postpone our Terry Fox run to Monday, October 2nd. Walking back and forth to the Junior campus would have been tedious in that heat. Unfortunately, we will have to do a separate event from the Junior Campus.

We hope that Monday will be a sunny day and not too hot so everyone can enjoy the race.

Thank you for your understanding!
