Volunteer and Improve School Life!

A rewarding and fun experience is guaranteed! The Home & School Committee is made up of volunteer parents from both the Junior & Senior campuses, and serves both the Jr and Sr schools as **one** Home and School. Even if you only have a little time to give, this is a great way to connect with other parents while working towards a common goal of enhancing our children's school experience, working together with the principal and school staff.

Meetings will be arranged on average once a month. And will be announced on the school website in advance. All events are ultimately successful because of the dedication and volunteer work of all our wonderful parents!

Sherbrooke Academy Home and School Association is affiliated with the Quebec Federation of Home and School (QFHSA) and the Canadian Home and School Federation. We are a non-profit association therefore in order to maintain our status we require your support through membership. Included in your annual membership fee of \$18.00 is a subscription to the QFHSA newsletter, which provides information on activities and issues from schools in our province. You may also choose to join as an associate member for \$2.00 if you are already a member at another home and school. If you choose not to become a member, we still welcome you as a volunteer with us to attend meetings as a non-voting member.

Many thanks for your support in making Sherbrooke Academy Schools great!
